## **NOMINTATED TOP 40 UNDER 40**

### **ABOUT VENEZUELA WILLIAMS**

**With over 26 years leading in hospitality and retail, Venezuela has made a chess move to healthcare. She has expertise in building a culture of inclusion, leadership, and empowers people development.**

**Venezuela is an advocate for creating a culture of care and making meaningful conversations to get the best out of others! It is through her life experiences that Venezuela has learned how to craft healthy conversations into action to build high performing teams. She is unafraid to have authentic, bold interactions that led to a balanced self discovery.**

**Venezuela was nominated for her work in transforming hospitality executives with creating training & development programs, DEI initiatives that specialized in customer service.**

# STANDING IN HER TRUTH

## *Nurturing the Narrative*

### EXTENDED BIOGRAPHY

Venezuela went the unconventional route and earned her Associates Degree from Southern University- Shreveport in Cardiovascular Technology. She dealt with matters of the heart. Venezuela quickly earned her Bachelor of Business Administration in Organizational Management from Wiley University. She didn't stop there. She mastered her craft and earned her Masters of Business Management in Human Resources from the University of Louisiana Lafayette.

Venezuela has boldly taken up space on various boards.

She seeks to understand and is always willing to coach, develop, and helps others with nurturing their narrative. She started nurturing her narrative when she realized that when she shows up the atmosphere shifts.

Regardless of her role, Venezuela has proven leadership skills that equips leaders to take inventory of how they show up for their customer and employees.
